The first joint auction of the new year is here! The Taichung Branch of the Administrative Enforcement Agency, Ministry of Justice, will hold a public auction on Tuesday, January 6, 2026, at 10:00 AM at No. 16, Lane 100, Section 2, Jianguo North Road, West District, Taichung City.

### Auction Highlights:

Commissioned by the Taichung District Prosecutors Office: One tractor manufactured in 2021.

Commissioned by the Yunlin District Prosecutors Office: Two tractors manufactured in 2022 and 2023, and one semi-trailer manufactured in 2023.

Interested members of the public are invited to attend and participate in the open bidding!

In recent years, numerous new construction projects and public works have generated vast amounts of mixed construction waste. This has led to

unscrupulous operators illegally dumping waste to reap huge profits, causing serious environmental chaos and endangering our homes. The three tractors and one semi-trailer featured in this auction were tools used in alleged violations of the Waste Disposal Act. All these vehicles were manufactured within the last five years and remain in functional condition. In particular, the items commissioned by the Yunlin District Prosecutors Office will be auctioned together. Buyers can not only satisfy their commercial business needs but also take practical action to support the government in maintaining a fair and just society governed by the rule of law.

In addition to the tractors and semi-trailers, the auction includes:

Practical CMC Mitsubishi SUVs

Ford Lio Ho sedans

VOLVO sedans

Elegant Mercedes-Benz luxury cars

Special Items: Multiple sets of various textile sewing machines.

Members of the public are welcome to bid and secure these items at a bargain!

Event Schedule (January 6):

Registration: 9:20 AM to 9:50 AM

Bidding Begins: 10:00 AM
